ELECT ROB ORTT MAYOR

The Ortt PLAN

★ Reduce ★

The Cost of Government.

- ★ Consolidate resources, such as water, with other communities to lower water rates
- ★ Provide an efficient local government we can afford.

★ Rebuild ★

Our Roads.

- ★ Seek long - term solutions to our crumbling infrastructure, instead of "quick fixes", so taxpayers aren't paying for the same thing over and over.

★ Restore ★

Our City.

- ★ Turn the former Durez site into something all NT citizens can use and be proud of.
- ★ Bring a successful concert series - like the one we had - back to downtown.
